The sale of any shipment shall, however, not discharge the SHIPPER and/or owner of any liability hereunder to pay any deficiencies.

Nevertheless, when the destruction, loss, damage or delay of part of the shipment, or of an object contained therein, affects the value of other packages covered by the same air waybill, the total weight of such package or packages shall also be taken into consideration in determining the limit of liability. In the absence of proof to

the contrary, the value of any such part of the shipment destroyed, lost, damaged or delayed as the case may be, shall be calculated by taking the average value of the shipment when the value of single piece cannot be determined.

CKK shall not be liable for the destruction, loss, damage or delay of cargo not occurring on its own line except that the SHIPPER shall have a right of action for such destruction, loss, damage or delay on the terms herein provided against the first CARRIER and the CONSIGNEE or other person entitled to delivery shall have such a right of action against the last CARRIER under the contract of carriage.
